

Maricopa County Bar Hall of Fame

2010 NOMINATION INFORMATION

Throughout its history, Maricopa County has been blessed with extraordinary lawyers dedicated to the improvement of the legal profession and the lives of its citizens. Many of those attorneys have also served in leadership roles in the Maricopa County Bar Association. The MCBA created the Maricopa County Bar Hall of Fame in 2008 to recognize and thank in some small way these true giants of our profession. In 2010, we again seek nominations to represent the broad diversity of the legal profession in Maricopa County.
